Rumpke Consolidated Companies Inc. is proud to be the collection service used for trash removal in the Village of Cedarville. There are some important things to remember about your weekly trash pick up.

Rumpke observes six holidays yearly. Our offices are closed on the following days:

New Year's Day
Memorial Day
Fourth of July
Labor Day
Thanksgiving
Christmas Day

If your trash pick up day falls on or after the holiday, your pick up will be delayed by one day for that week only. For example, in 2007 the Fourth of July is a Wednesday. If your regularly scheduled collection day is Wednesday, it will move to Thursday, Thursday will move to Friday and Friday will move to Saturday. Monday and Tuesday collection days will not be affected by the holiday. Regular collection will resume the following week.
