- Three (3) streets will be “micro-sealed” in July (this summer’s street work)
- Repaired a catch basin near the fire department building.

- Ms. Emily Kaster updated Council on the plans for CedarFest. The committee is requesting approval to close Main St (SR 72) for part of one day so that the business district can be an active part of the CedarFest celebration. This will take coordination with ODOT and more research is needed prior to Council approval.

Meeting adjourned at 7:42 p.m.
